## Reading Incentive Program

**"Reading Incentive"** is an optional program for students, funded by the school PAC, and run by parent volunteers. It runs from October through until June. Students simply record the amount of minutes that they have read during the month and enter it onto the green form which can be found in front of the office. We have a monthly meeting in which students can choose a free book from a large selection offered, regardless of the amount of minutes that they have read. There are prizes to be given away such as "Coles" gift cards, bookmarks, pens or pencils, and small treats. There will also be draws for more prizes at the end of the year.

200 minutes read will get one free book and one draw ticket.

400 minutes read will get two free books and two draw tickets.

If you have any questions about the program, or would like to donate "like new" books,  
Please text Melanie Meyer @ 250-271-1234
