## Communication

- **Parking Reminder** Parents are reminded to please use the back parent parking lot after school. There is no supervision in the staff parking lot. If you choose to park on the Frontage Road please pick up your child on the playground and walk them across to your vehicle. This is a very busy time of the day with many busses and the bus monitors cannot cross students to their vehicle.
- Lock down We will be practicing a lockdown on Friday October 12th @ 10:10 am. A letter is included on the last page of the newsletter.
- Thanks to Mr. Bauer and Mrs. Fearon's students for being **Peer Lunch Monitors** this week. Each Intermediate class will rotate weekly to be peer lunch monitors, also allowing them to be leaders at lunch to our Primary students, both in the classrooms and on the playground. Thanks, Mrs. Coulter and Intermediate teachers for organizing this program.
- **TumbleBooks** Charlie Lake School has a subscription to Tumble Books and this can be accessed at home. Below is the information:

Dear Parents/Guardians,

**RE: Lockdown Practice** 

I am writing to let you know that Charlie Lake Elementary will be practicing a "Lockdown" on: Friday, October 12th, 2018 @ 10:10 am.

The district has moved towards regular drills with students in all our schools. This follows the Ministry of Education's Safe Schools initiative to bring consistency to how lockdowns are carried out around the province. The district has also collaborated with the RCMP on the development of the plan as well as the response and follow-up.

Even though we try to ensure that all staff, students and parents are aware of the practice, we realize this type of drill can cause anxiety for some people.

If you have questions or concerns, please do not hesitate to contact us at the school.

Sincerely,

N. Maxfield Principal - Charlie Lake Elementary
