**Communication Sept. 9-13**

- Thanks to all the students, staff, and families for a great first week back at school!
- Please ensure your child has inside shoes, with the wet weather forecasted, this helps to keep our school clean. Students are outside prior to the morning bell please ensure they are dressed for the weather.
- Cross Country Running practices will start this week. Mr. Clements and Mrs. Maxfield will be coaching. Mrs. Maxfield is looking for a community volunteer to help with the road run practice on Wednesday morning. Please call the school or email (nmaxfield@prn.bc.ca)

- The electronic payment system, “Activity Right” that was set to begin in September, has been delayed. Please pay school fees by cheque or cash. See fee schedule on the last page of the Laker News.
- Consent forms and picture day forms will be coming home this week. Picture day is scheduled for Monday, September, 16th.
- Student Pick-up:
  - We will be asking parents to wait in a boot room until the announcements are done and the end of day bell has rang. Our end of day bell is 2:48 pm. If you need to pick up your child before 2:48 please follow the usual procedure which requires you to go to the office and sign your child out. The office will page your child to the office. If there are any other pick-up arrangements other than the custodial parents a note or phone call is required.
  - Please ensure whenever possible that your child knows the end of day plan prior to coming to school. The agenda is a great place to record reminders about pick-up plans. If there is a change in pick-up plans, please do your best to call the office by **2:30 pm**.
- “Magnificent Thing” Project - Students will be participating in a week long project that focuses on one of the Core Competencies, “Critical Thinking”. Students in Grades 1-6 will need to bring a box, so that they can design and create their own Magnificent Thing! More details to follow in next week’s Laker News and from the teachers.
